## MESSAGE FROM CONFERENCE CHAIRMAN

Dear colleagues

It gives me great pleasure to announce 2<sup>nd</sup> Advanced Gastroenterology Summit Conference "**AGS – 2020**". On behalf of organizing committee of Advance Gastroenterology Summit–2020, it is my honor and pleasure to welcome you to our AGS–2020.

After getting overwhelming response for AGS – 2019 it motivates us to continue this series of sharing knowledge further. In this conference 2 International Faculties & 15 reputed National Faculties of gastroenterology have confirmed their presence & will be sharing their knowledge with us. There will be case based panel discussions on common clinical issues faced by our doctor colleagues in Gastro Enterology, live demonstrations, debates along with exciting quiz. By conducting this summit our focus is to educate our doctor friends about recent advances in gastroenterology.

This year we also have included new initiative of educational course in AGS – 2020 as a beginner course & advanced course. While beginner course focuses on orientation in endoscopy & colonoscopy, advanced course will provide hands-on training on Peroral Endoscopic Myotomy (POEM), Endoscopic Sleeve Gastroplasty (ESG) & Ovesco clipping, Spirus Enteroscopy. You can register your interest in either of course as per your preference.

Once again heartily inviting you & looking forward to welcome you to our AGS – 2020.

Warm regards,

**Dr. Yogesh Harwani**
